BERGMAN ARRIVES AHEAD OF SCHEDULE

Makes Distance of 400 Miles in
Good Time—Enjoys Rest
of 18 Hours.

A. F. Bergman of Pittsburgh, Pa., and formerly of Mishawaka, attempting to accomplish the almost impossible by walking from Pittsburgh to Chicago, a distance of 500 miles, in seven days or 168 hours, arrived at the News-Times office Tuesday evening ahead of his schedule to this city.

Mr. Bergman is walking for a purse of \$500 put up by the Pittsburgh Leader. He is expected to make the distance in 168 hours, including the time he takes for rest and food. Tuesday evening he was several hours ahead of his schedule and stated that he expected to reach Chicago ahead of time. He is due there Thursday noon at 2:30 o'clock, having left Pittsburgh last Thursday afternoon at that hour. To Mishawaka he has covered 400 miles of his trip in a few hours over five days.

The feat which Mr. Bergman is attempting is considered even greater than under ordinary conditions because of the fact that he is making his hike during the middle of the winter. He reported that the weather conditions have been very bad, the roads between here and Pittsburgh being extremely heavy.

However, considering the fact that of the 150 hours he has been walking and covering over 400 miles with less than 18 hours of actual rest, Mr. Bergman appeared little the worse for his efforts and said that although he knew he was tired and needed rest, he felt as though he could still go on without sleep.

When Mr. Bergman was a resident of Mishawaka a year ago he made statements that were in training he could do Chicago, a distance of almost 100 miles, in less than a day. Tuesday evening he said he was now ready to back up his word, as he expects to make Chicago in less than 24 hours.

He spent the night in Mishawaka visiting with old friends here, who on learning of his coming to Mishawaka, stopped in at The News-Times to see him. He started his last lap of the big 500-mile endurance test walk this noon, leaving The News-Times office on S. Main st. at 12:15 o'clock.

The main attraction of the afternoon was between the league leaders, seniors and juniors. It was a close game all the way through. The juniors led in the first half by the score of 4 to 2, but the seniors came back in the last half and piled up 7 points. The game was anybody's until the last minutes when Stebbins got two field baskets in succession. It ended with the score of 11 to 5, with the seniors on the long end.

TO WORK FOR DUPONT.
Leo Jansen of this city left Tuesday afternoon for Hopewell, Va., where he has accepted position in the Dupont powder mills.
